Nominee Qualifications

In order for Com-Link to bolster its leadership team and continue guiding our City's path towards a brighter future, it is essential to establish clear qualifications for prospective board member nominees. These qualifications are designed to ensure that those who step forward to lead possess a deep commitment to Com-Link's growth and progress. With this in mind, the following criteria have been defined for individuals aspiring to join the board:

1. **Active Engagement:** Nominees must demonstrate a strong commitment to Com-Link by attending a minimum of four (4) meetings within the current Com-Link calendar year. This requirement ensures that potential board members have a solid understanding of the ongoing discussions, initiatives, and concerns within our neighborhoods.
2. **Demonstrated Dedication:** By consistently participating in meetings, nominees showcase their dedication to being informed and involved in our community's affairs. This dedication speaks to their readiness to take on the responsibilities of a board member role.
3. **Completion of Qualification Form:** Nominees are required to complete and submit the official nominee qualification form. This form provides the voting membership with valuable information about the nominee's background, skills, and reasons for seeking a board position.
4. **Vision for the Neighborhood:** Nominees should express a clear and positive vision for the future of Com-Link. Their aspirations should align with the Com-Link's goals of growth, unity, and enhancement.
5. **Strong Communication Skills:** Effective communication is essential for board members to interact with fellow residents, community partners, and local authorities. Nominees should possess the ability to convey their ideas and listen to the concerns of others with clarity and respect.
6. **Collaborative Attitude:** Serving on the board requires working collaboratively with diverse personalities and viewpoints. Nominees should demonstrate a willingness to collaborate, build consensus, and contribute constructively to discussions and decisions.
7. **Ethical and Transparent Behavior:** Nominees must uphold the highest ethical standards, ensuring transparency in their actions and decisions for the betterment of our neighborhoods.

8. Time and Energy Commitment: Serving as a board member demands time and energy. Nominees should be prepared to invest the necessary effort to fulfill their responsibilities effectively.
9. Residency: Nominees must be residents of Santa Ana to ensure their alignment with our Com-Link's needs and aspirations.

These qualifications are designed to attract individuals who are genuinely invested in our neighborhood's well-being and future.
